Unites States Patent Office

RE Patent 6,309,085

Date: October 4, 2011

We respectfully request the acceptance of our Petition to Accept Unintentionally Delayed Payment of Maintenance Fee in an Expired Patent.

Notice from the USPTO of Patent expiration was sent to Snell and Wilmer in Costa Mesa in 11/09. They forwarded that notice to us Dec 28, 2009. (we don't know if they received earlier notices of pending expiration or not – they no longer represent us in any way).

Upon receipt of this we immediately submitted (1/4/10)

Change of address form notice

Fee address indication form

Request for customer number

Which were faxed along with PTO/SB/66 signed by Lynne Bauman and dated 1-4-2010.

PTO/SB/66 was mailed in with payment of maintenance fees and surcharge totaling \$2945.00.

From what we understood, this took care of the matter, and the Patent was reinstated.

However, about 18 months later – June 2011, Lynne Bauman received a phone call from Trudell Jackson of the USPTO saying that the Petition was not acceptable in current form because Jeffrey Katz had signed the CFR but Lynne Bauman had signed the PTO/SB/66, so Trudell advised Lynne that she should sign the CFR3.73 and resubmit the original PTO/SB/66 with the current date of 6/11. There was no mention of a \$400 fee required at that time. Trudell advised to fax these forms to Trudell, which Lynne did. Trudell had stated at that time that she was going on vacation the next day and so time was of the essence. Lynne tried calling Trudell to confirm that everything had been received, but only got Trudell's voicemail, and left a message to this effect. No call was returned, so it was assumed all in order. Again, we thought it was taken care

Recently we discovered the patent showing as expired and we are desperately trying to cure the situation. Lynne called Trudell and left a message several times and Trudell called back today to say she no longer worked in that dept. and referred Lynne to Ramesh at 571-272-4914. Lynne called Ramesh who advised that we submit

New PTO/SB/66 signed by Jeffrey S. Katz

We have enclosed as much as we can to show that we tried our best to do the right thing, but evidently our failure was in not understanding the process.

We respectfully request that you accept our explanation and fees and reinstate the patent or that you help us to understand what we have failed to do to make this happen and how we can proceed.

Very truly yours,

Jeffrey S. Katz

Title: LAMP SUPPORT FOR EMERGENCY LIGHT FIXTURE
Our Ref. No.: 42551.0100

Dear Mr. Davis:

We received a notification of patent expiration from the United States Patent and Trademark Office for the subject patent. A copy is enclosed. The patent expired on October 30, 2009 because the 8 year maintenance fee was not paid. You instructed us on November 22, 2004 not to pay maintenance fees.

If you did not want this patent to lapse, you have the opportunity to revive the application at a cost of \$2040.00 plus the late maintenance fee of \$1305.00. (1240465)

If I do not hear from you, I shall assume that you have made other arrangements to revive, or do not want to revive this patent.

Very truly yours,
